

Financial Literacy Education Skill Set (CHCSS00077)

Purpose

Understanding the approach to financial literacy education is a key aspect of building client resilience. ICAN Learn delivers a skill set in financial literacy education that explores consumer vulnerability, referral pathways to improve outcomes, working with groups and the credit and debt landscape.

This skill set reflects the skill requirements for the provision of basic financial literacy education and is aimed at community workers whose clients may be facing issues related to the basic day to day management of their finances and who may be at risk of increasing debt and its associated risks. It provides a set of skills for provision of basic financial literacy education for clients.

Units of Competency

- CHCEDU005: Work with clients to identify financial literacy education needs
- CHCEDU006: Improve client's fundamental financial literacy
- CHCEDU007: Provide group education on consumer credit and debt

Skill Set Requirements

This skill set has been endorsed by Industry as suitable for individuals who:

- hold a qualification at Certificate III level or higher in Community Services, Health or related field; or
- have skills equivalent to the qualification requirement validated through a recognition of prior learning process.

Duration

The course duration will vary according to agency/ student requirements with a minimum 2 days face to face delivery.
