

# EDUCATE LEAN EMPOWER LEAD

# WHY STUDY THIS UNIT?

This is a nationally recognised unit of competency that assists students to gain the knowledge and skills to work as a financial counse llor with clients that operate a small business.

It is targeted at financial counsellors currently working in the sector that may have completed previous versions of the Diploma of Financial Counselling that did not include this unit (it is now included in the CHC51122 qualification).

The unit also applies to financial counsellors who work in rural financial counselling agencies.

# WHAT SKILLS WILL STUDENTS GAIN?

Upon completion of the unit, students will have the capacity to identify the structure and current financial

position of a small business and to use this information when providing information and advice to clients as part of service delivery.
