

NON-ACCREDITED COURSES

PROFESSIONAL SUPERVISION

All financial counsellors practicing client casework are required to undertake professional supervision throughout each membership year. There is always a need for new professional supervisors and it's a great way to contribute to the professionalisation of the sector.

\$800

ENTRY
See below

This course is aligned with the Financial Counselling Australia (FCA) Professional Supervision Policy.

On successful course completion you can apply to your Professional Association for recognition as an Accredited Professional Supervisor to provide external professional supervision to financial counsellors

Our skilled trainers love sharing their skills, knowledge, and experience as professional supervisors.

This practical course will prepare students to provide professional supervision to other financial counsellors and provides opportunities for students to practice their skills.

Those who successfully complete the course can deliver professional supervision to individuals and groups as set out in the FCA Professional Supervision Policy and the FCA National Standards for Membership and Accreditation.

The key course topics include:

- Rationale for professional supervision
- Professional supervision process
- The importance of the learning process in professional supervision
- Key qualities of a professional supervisor
- Professional resilience
- Modes of professional supervision

ENTRY REQUIREMENTS

Students must be a financial counsellor with a minimum of 3 years full-time experience and hold full membership of the financial counselling peak body in their state or territory.

COURSE DELIVERY & ASSESSMENT

This course is delivered live online (in 'real-time') across 2-hour weekly sessions over 6 weeks;

ON COMPLETION

Upon completion of the course students can provide much needed professional support to assist financial counsellors to meet the National Standards for Membership and Accreditation.

Students will receive a certificate of participation upon completion which they can use as evidence for peak body professional supervision accreditation.

FEES

Fees are payable on enrolment. Students whose fees are being covered by their organisation may request an invoice to be issued directly to their employer. More information about fees and payment options can be found on our website.

“
The trainer was great, and I really valued the interaction with other students and the discussions throughout the course.”
