

Calling Financial Counsellors!

Become a Professional Supervisor

Becoming a recognised financial counselling professional supervisor is a great way to build the sector and provide much needed professional support to assist financial counsellors to meet the National Standards for Membership and Accreditation.

ICAN Learn financial counselling supervisor experts deliver the Professional Supervision for Financial Counsellors education package for experienced financial counsellor practitioners.

This course is recognised by Financial Counselling peak bodies and adheres to the National Supervision Policy set out by Financial Counselling Australia.

ICAN Learn educators love sharing their knowledge about this topic to build the financial counselling sector nationally.

This innovative delivery includes 6 x 2 hour live online workshops. Course cost covers all learning materials required throughout; all resources are shared and available for download and ongoing personal use.

Key course topics:

- Rationale for professional supervision; roles and responsibilities
- Professional supervision process: reflection; multi-lens approaches and mini contracting
- The importance of the learning process in professional supervision
- Key qualities of a professional supervisor: aspirations, receiving and giving feedback
- Professional resilience: burnout, secondary and vicarious trauma
- Modes of Professional Supervision

Entry requirements

You must be a Financial Counsellor with a minimum of 3 years full-time experience and hold full membership of the financial counselling peak body in their State / Territory.
